

## CIC INFORMATION

### Westmill Woodland Burial Ground CIC.

The site and management is run by Liz Rothschild and Adam Twine through Westmill Woodland Burial Ground community interest company (CIC), a not-for-profit company that was established in 2013. Liz Rothschild and Adam Twine are directors of the company.

The intention is that the site will eventually become fully independent from the farm and will be managed for wildlife and preserved as a burial ground in perpetuity. To this end 20% of the cost of each burial is placed in a separate fund that is attached to the site and will be able to pay for the ongoing maintenance of the site.

Each year the company submits a statement to the CIC regulator detailing how it has fulfilled its objectives.
